Thank you Jim.

I'm sorry for the late response. I have a special inbox folder for all your mails as they mean much to me. Unfortunately the folder was hidden in my outlook app and I didn't see it until I expanded all folders this morning.

Thank you for providing quality, effective and innovative leadership at the department. I admire your intelligence, humility and friendliness. I will surely miss you, your blog and all staff of the department.

Regards,

Hi Jim,

Just wanted to say that I (as I KNOW others do) really really appreciate these updates. It makes it so much easier to help staff stay informed and up to date on to the tools at their disposal to support students and themselves for now and into the future.

Thank you so much! Looking forward to the next update 😊
